

HORSE TRAILER ADAPTER

**Do you need a
shortbed solution
for towing your
gooseneck
trailer?**

- PullRite's specially designed adapter is equipped with a removable capture wedge, allowing you to connect to any SuperGlide hitch
- Allows your SuperGlide to slide back, giving you up to a 90° turn
- Fits standard 4" diameter round gooseneck couplers
- Simply pins in for quick installation on most trailers
- Great application for horse trailers with RV-style living quarters

PROUDLY MADE IN THE USA
