

DURACUBE

CHARGE YOUR MOBILE DEVICES AND RUN YOUR ELECTRONICS WITH RELIABLE POWER, ANYWHERE.

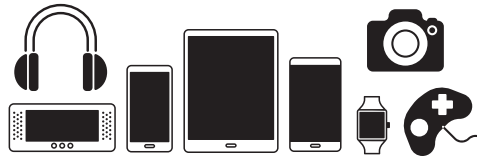

DURACUBE 500-WATT PORTABLE POWER STATION

Reliable Power, Anywhere. Charge your mobile devices and run your electronics wherever your adventure takes you. This portable power station offers a green, silent source of energy while you enjoy your surroundings.

Ideal for tent camping, camper vans, tent trailers, backyard parties, festivals, fishing, and backup power for emergencies. Easily pairs with a Go Power! Duralite Expansion kit for quick and efficient charging.

Portable charging for handheld devices.

FEATURES

- Rugged, lightweight and compact.
- Made with anodized, aircraft grade aluminum for unbeatable quality.
- LiFePO4 Lithium battery offers 4x the cycle life of traditional portable packs.
- Equipped with multiple power outlets:
 - 2x AC Outlets
