

320 CERAMIC BOWL GRAVITY-FLUSH TOILET

Lasting home-like comfort and style

Low Flush Technology At Its Most Elegant

- New elongated bowl and full-size wood seat with residential height for home-like comfort
- High-gloss ceramic construction is stain- and scratch-proof for long-lasting durability
- Anti-splash rim keeps water in bowl, conceals rinse jets
- Extreme low flush technology uses as little as 1 pint/0.5 liter per flush
- One-way, ergonomic foot pedal easy to use – press partially to add water; press fully to flush
- Two-bolt installation with quick access water connection
- Easy serviceability with modular components
- Dometic Two-Year Protection Plus Warranty
