

OE Series ISR Adapter

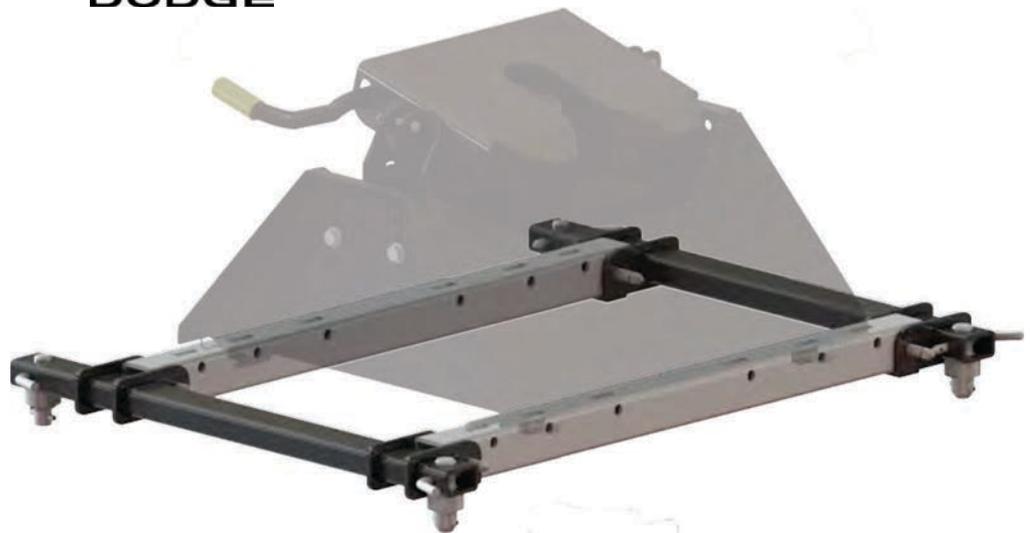

Fits New Ram Truck Tow Package

Introducing the new PullRite OE Series Dodge ISR Adapter kit. Now you can use your Dodge tow prep package with and industry standard fifth wheel hitch.

Breaks down to four individual pieces, making installations an easy one man job. Four independent mounting posts and standard hitch pins require no tools to remove.

Tow proud with another American made, safe and convenient PullRite innovation

#4439 OE Series Industry Standard Adapter *for Dodge OE fifth wheel package*
